

Garden Tractor Pulling 2019

by Nate Minnitte

I should have posted this earlier but it has been very crazy this last month, anyway we are switching it up this year and I will be holding garden tractors pulls during June, July and also September and of course during the regular shows. Everybody is welcome to come down and pull all that we are asking for is a donation for the club. These pulls will be similar to during the shows they are practically a run what you bring because they are strictly fun pulls only. If we have a bunch of tractors that come down to pull I will do weigh ins.

The dates are as follows:

Saturday June 15th.....11:00 A.M.

Saturday July 20th....11:00 A.M.

August pulls will be held during the show dates.

September is still to be determined.

Please try to be there at 10:30 A.M. so I can determine if we need to weigh. Also there will be no rain dates for these pulls but I will post on this site if it happens to rain.

Weight classes are the normal.

1-1,000 lbs.

1,001-1,500 lbs.

1,501-2,000 lbs.

20 horsepower limit.

Please remember these pulls are strictly for GARDEN tractors.

If you have any questions please do not hesitate to call me.

Nate
